PHOENIX DAY

From humble beginnings dating back to 1915, Phoenix Day has taken huge strides to be innovative and progressive in addressing the needs of early care and education, as well as supporting the comprehensive well-being of the children we serve.
Phoenix Day's HealthLinks Program provides our families with much-needed case management and assistance in enrolling in AHCCCS. Through the eligibility process, HealthLinks coordinators promote the availability of a variety of health resources available for our families. In addition, HealthLinks partners with ten community agencies to provide the same health-related services to over 500 families each year.
In 2011, Phoenix Day contracted with the City of Phoenix to operate the Central Park facility and provide after-school and summer youth programs for the Central Park neighborhood.
We are proud of the work that we do here! Our commitment to families and community is ongoing and exciting! As we continue to evolve to meet the education and health needs of the Phoenix Day community, reflecting on the thousands of people who have been touched in the past by the mission of Phoenix Day is amazing!
Phoenix Day has continued to thrive, thanks to the dedication and belief from the community in what we do. The thousands of people who have made donations and volunteered countless hours prove that the kindred spirit is alive and well.

gabe's CHEMO DUCK CHEMODUCK.ORG ®

For each race, The Graffiti Run always donates a portion of our net proceeds to local organizations across the nation! At our Portland Event we have teamed up with **Gabe's My Heart**, a nonprofit organization that has founded the project **"Gabe's Chemo Duck",** a partnership that continues to this day!

Gabe's Chemo Duck Program was established by the nonprofit organization, Gabe's My Heart, to assist children and families living with childhood cancer. Since 2004, Gabe's My Heart has provided more than 15,000 Chemo Ducks to children across the country. Gabe's My Heart continues to develop therapeutic tools for the Gabe's Chemo Duck Program to enable hospital staff and parents to better prepare children for chemotherapy and eliminate the fear of the unknown.

In addition to the cuddly, stuffed yellow duck dressed in blue hospital scrubs, the Chemo Duck Program includes educational support material to help children and families understand their health situation. Every Chemo Duck comes with an educational coloring book, a DVD explaining the program and access to an abundance of information to help families organize their lives during an extremely difficult time.

As the creator of the Gabe's Chemo Duck Program, Gabe's My Heart upholds the following core values:

- A commitment to supporting families living with childhood cancer.
- A commitment to providing the Chemo Duck Program free of charge to families living with childhood cancer.
- A commitment to ensuring all products and materials will be developed based on innovative and medically sound methods reviewed and approved by medical experts and child life specialists.
- A commitment to diversity by ensuring that Chemo Duck products are available to children regardless of sex, race, religion or color.
