

# VOLUNTEER INFO

Congrats on being selected as an official The Graffiti Run Fundraising volunteer group! We are so excited and pleased to be working with you at this year's Graffiti Run Denver at Sloan Lake Park. We know that together we can set the standard for how a Color Run should be ran!

## THINGS TO KNOW:

- On the designated day your group is volunteering you will park at one of the designated areas in the parking map below. There is no charge for parking. **(see Map Attached)**
- Once you have parked find your way to the Check-In tent. We also have a pad layout attached to help you navigate. **( See Attached)**
- Once you get to the check-in tent we will have a sign in sheet that everyone will be required to sign for each group (Volunteers Must be 14 years or Older). After you sign in we will give you a volunteer T-shirt. You will then be assigned to your working position and explained your task in detail, please don't hesitate to ask any questions. **IF YOUR ORGANIZATION HAS SHIRTS PLEASE WEAR THOSE IN UNIFORM rather than our volunteer shirts.**
- **BEFORE YOU LEAVE** you will be required to sign out! Whatever is on the sign out sheet is what we will pay your organization to ensure everyone stays the whole event.
- If you ever have any questions about what is going on we will have numerous staff members available.
  - Shawn: Event Director (832) 731 9644
  - Derrest: (713) 376 8521
  - Nic – (281) 731 5657
  - Luis – (713) 560 0773
  - Andy -- (832) 790 7753

## THINGS TO BRING:

- A packed lunch, though we will provide lunch it usually comes later in the day since the event day can get pretty hectic.
- **Clothes and shoes you are willing to get** colorful. Remember you are volunteering at a color run.
- A good attitude. Every year we have numerous applicants for these fundraising positions. We have picked your groups because we felt you are a good fit for our event. However, any negative reviews at the end of the race will result in this being the last fundraising opportunity for your organization with us.
- A camera so you can capture the awesome time you and your organization is having out at the The Graffiti Run while raising funds!

## Packet Pickup Volunteering
